

ODP 4368-77  
23 December 1977

MEMORANDUM FOR: Acting Deputy Director for Administration  
FROM : Clifford D. May, Jr.  
Director of Data Processing  
SUBJECT : ODP Report for Week Ending 23 December 1977

House Committee Staff Briefing

[REDACTED] (ODP) briefed Richard Giza, a staff member of the House Select Committee on Intelligence, on the TADS Project. Messers. [REDACTED] (COMIREX) [REDACTED] (ODP) briefed him on the CAMS project. Mr. Giza had also requested a briefing on RAPID. Mr. May told him that a briefing on RAPID was not on the agenda because the RAPID contract was in the process of being terminated due to the contractor failing to make progress. [REDACTED]

OC/ODP Planning Group Meeting

An OC/ODP Planning Group meeting was held and agreement was reached to write an RFP for a contract to do data communications network analysis. A new Working Group will be formed to study an interface between the Cable Dissemination System, ODP Computer Systems, and end users.

The documentation of line problems [REDACTED] Building, provided by ODP Processing, is proving valuable to the Office of Communications. [REDACTED]

Director of Data Processing Briefs EAG

The Director of Data Processing presented an overview of the plans for an Agency-level review on 21 ADP projects to be monitored by the EAG. He also reviewed costs and computer usage for these projects. Mr. Dirks, DDS&T, asked for a more detailed briefing on system capacity. [REDACTED]

SAFE

[REDACTED] attended the DIA briefing of G. Pickett of the Senate Select Committee Staff. Mr. Pickett advised us that he expects to ask for more information on interoperability/commonality with other systems and changes which SAFE will introduce in the CIA.

~~Administrative - Internal Use Only~~

Work was initiated to introduce DIA requirements to the SAFE Design Competition contractors. This change will not be introduced until the Management Plan and Memorandum of Understanding are approved. [REDACTED]

STATINTL

CIA Deputy Director-level concurrences were received on the SAFE Memorandum of Understanding and Management Plan. These documents have been forwarded through the DDA and DDCI to the DCI for approval.

STATINTL

Computer On Site

The cables for the [REDACTED] O/V6 test configuration were installed on 17 December. The hardware arrived on 22 December and is being installed. ODP is to begin testing on 27 December. This is our first large scale non-IBM computer main frame. [REDACTED]

STATINTL

STATINTL

Training

A five day course, RAMIS Report Writing and Records Management, was completed by eleven students. [REDACTED]
